

## Devil's Blues

My friend Fred,  
A luckless lad,  
Hangs his head  
So very sad,  
Sings his song  
All black and blue –  
What is wrong  
Inside of you?

Silly Sally,  
Such success,  
Devil dares her  
To undress –  
Ho now, honey!  
Rock and roll!  
Makes her money,  
Sells her soul ...

Silly Sally,  
Why don't you  
Sing your song  
So black and blue  
To my friend Fred  
And save his soul –  
Right the wrongs  
With rock and roll?

Damn! The Devil  
Hangs his head,  
Sees silly Sally  
Fall for my friend Fred –  
They make much money,  
Such success,  
Live in love  
And leave the rest  
To me ...
