take this all of you and eat it
bread of life & flesh of the gods
this is my body
a sacred heart for priests & kings
which will be given up for you
as ritual sacrifice upon the temple altar
take this all of you and drink from it
holy grail of the divine nectar
this is the cup of my blood
fruit of the vine of death & souls
the blood of the new and everlasting covenant
the second coming of the feathered serpent
it will be shed for you and for all
the blood, the sweat, the tears
so that sins may be forgiven
the fall of the people of the sun
do this in memory of me
the eagle, the snake, the cactus, the stone, the lake
